A POSTCARD FROM... The Night Sky

On display at Edenhope Library FEBRUARY 2027

Create an A6 size artwork (10.5 cm x 14.8 cm) inspired by the sky at night. This might be the Milky Way, galaxies, star clusters, nebulas, monthly or occasional moon events, the Aurora, satellites, and more!

Submissions can take the form of a photograph, drawing, painting, linocut, or any medium that will fit on a postcard and can be hung on the wall. Photographs of a 3D artwork or print copies may be entered in lieu of the original artwork.

These mini artworks will form a community exhibition at Edenhope Library, celebrating the natural environment that surrounds and sustains us**.**

View the exhibition anytime Edenhope Library is open during February.

Collect a blank postcard from the library to join in – you do not need to be a library member to participate. Entries due by 29 January.
