

Getting started with Kanopy for public library users

To use Kanopy, you'll need to enter your library card information and create a Kanopy account. We recommend doing this in a web browser, but you can also set up your account in the Kanopy app for [iOS](#) or [Android](#).

To get started with Kanopy in a web browser:

1. Go to www.kanopy.com in a [supported browser](#) (see page 4).
2. Select **Get started**.

3. Select **Find your library**.

STEP 1 OF 4

Watch now with your public library card or university login

Do you have a public library card?

- ✓ If so, help us find your public library
- ✓ Then, we'll ask you for your public library card number and PIN/password
